The Secretary,
London.

Dear Sir:

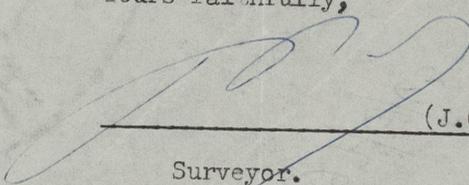

6673 "LABIOSA"

With reference to your classing letter dated 4th instant, I wish to point out that I am well aware of the requirements to ascertain the wear-down of the stern bush as stipulated in the Rules Section 4 sub. 401.

However, since this can only be done with the assistance of the Drydock Company at a nominal charge for necessary staging and removal of rope-guard, the Owners Representatives have to issue a work-order to this effect.

In this case and several other instances the Owners Representatives have refused same in order to economise on Drydocking costs.

Yours faithfully,

(J.C. Nobels)

Surveyor.
