Dear Sirs,

## CLASSING LETTER

C.  
DMS/DET

68482 "COLWYN BAY". As recommended and subject as previously recorded.

68458 "KINGSTON BERYL". As recommended, except that the notation of Special Survey 2.63 has been withheld pending completion of the Continuous Survey.

68487 "LOCH ERIBOLL". As recommended.

I have to inform you that your Interim Certificate does not mention the items surveyed for Continuous Survey, and an amended certificate should be issued accordingly.

I take this opportunity to point out that the Donkey Boiler Survey became due at the end of December last, and I shall be glad to learn what arrangements are proposed to be made in this respect.

Yours faithfully,

pro Clerk to the  
Classification Committee

The Surveyors,  
MULL.
