Enclosure

19th October, 1956.

Classn(S)  
RNC

Dear Sir,

GOVERNMENT VESSELS - DJAWATAN  
PELAJARAN

Reverting to my letter of the 17th September, I forward herewith a copy of communication addressed to the Owners, indicating that the classes of certain ships have today been suspended, and I shall be obliged if you will arrange for this communication to be transmitted to the appropriate department.

Pending a later decision finally to expunge class, there will be no objection to your holding any of the surveys overdue in these cases on application by the Owners.

Yours faithfully,

Deputy Clerk to  
the Classification Committee.

J. Baart, Esq.,  
DJAKARTA.
