Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

Enclosure.

7th June, 1935.

Dear Sirs,

I am in receipt of your letter of the 6th instant respecting the freeboard computation for Messrs. Nederlandsche Scheepsbouw My's Yard No.236 and the contents have been carefully noted.

With regard thereto I have to state that if the poop and bridge fronts be constructed as shown on the plan and all the remaining dimensions and particulars be as for the sister vessel M.V. "ROTULA", the freeboard which could be assigned (to the nearest c.m.) would be the same as for the sister ship.

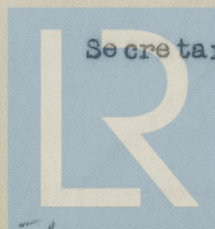

One copy of the plan is returned herewith, the remaining copy of the plan is being retained in this Office for reference.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
AMSTERDAM.

Secretary.
