~~Agreement~~  
~~already agreed~~

On the 22nd December, 1959 the Owners stated that the ship was laid up and under conversion to diesel. They stated that they would advise us when the work was completed, in order that full surveys could be undertaken.

With proposal

The Owners now state that the conversion is being completed under the jurisdiction of the Ministry of Transport Surveyors at Portsmouth. No mention is made of the Boiler Survey, which is now 7 months overdue. - See attached letter dated 19.4.60.

Technical  
 recommendation

*Submitted Southampton Surveyors be informed we cannot trace any correspondence regarding Conversion from steam to diesel machinery & be asked for their remarks. End*
