QUESTION.

ANSWER.

With reference to your letter of the 23rd July last, and to previous correspondence, I shall be glad to learn how this case now stands.

LEP

Date:—

February 11, 1941.

Referring to Galveston Report No. 3981 and copy of the Surveyor's letter dated 16th December attached thereto, I may say that the Owners inform me that the next dry-docking is scheduled for April which should afford an opportunity of completing the First Entry Reports in this case.
