Dear Sirs,

m.s. "SAN VITO"

With reference to the classification of this ship in the Society's Register Book, and to my letter of the 26th May last, I shall be glad to learn what arrangements you propose making for the main engine Nos.1 and 3 cylinder covers to be re-examined by the end of this month.

An Auxiliary Boiler Survey will become due at the end of this month and the Special Survey at the end of May, and your intentions regarding these inspections will be appreciated.

Yours faithfully,

Clerk to the
Classification Committee.
