RECEIVED

7 AUG 1948

Dear Sir,

s.s. BALTONIA - YOUR REF. D.O.

We acknowledge with thanks the two Survey
Certificates for this ship.

With reference to the notation on the Certificate
for Engines & Boilers, we would point out that the water
gauge terminal cocks are attached direct to the boiler
shells, also blowdown valves and scum valves are of the
screw down non-return type.

Yours faithfully,

J. F. Scott
Superintendent.
