THE
BRITISH
CORPORATION
REGISTER

Port Rio de Janeiro

25th June 1949

This is to Certify that I have

Surveyed the Boilers and Machinery of the Tw. Sc. Steamer "RIO MINHO", ex LST 3018, on the 28th August 1949 and subsequently, afloat and in drydock, while completing and being altered to plans now being considered,

and that I have transmitted to the Committee of Lloyd's

Register of Shipping, London, a Report stating ~~that~~ all

~~recommendations made by me in connection therewith have~~

~~been carried out to my satisfaction, and that I have~~

Recommended that the record of LMC 6.49 and Shafts seen (OG) 5.49

be made in the Register Book in the case of this vessel, when the plans now under consideration have been approved.

W. Caldwell

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
