PRINCIPAL SURVEYOR

September 24, 1942.

Dear Sir:

Referring to San Francisco Report No. 8608 relating to the survey held on the Steamer "SINGKEP", it will be noted that the fees now charged are considerably less than would have been charged for a full Classification Survey. It was concluded that the Classification fee, or a portion thereof, has been charged in connection with the survey held at Sourabaya, and in these circumstances, the San Francisco Surveyors were instructed to render charges commensurate with the work performed at this time.

I am, Dear Sir,

Yours faithfully,

Principal Surveyor
U.S.A. & Canada.

The Secretary,
WOKINGHAM.
