High Close, Wokingham, Berks.

31st October, 1941.

Dear Sirs,

Reverting to my letter of the 11th June last respecting the steamer "SINGKEP", I think you will be interested to learn that the report of the survey held on this vessel at Sourabaya at that time has now come to hand, and has received the consideration of the Committee.

In view of this report the following notations have been assigned:- 100A1 Classification Contemplated, and "Examined 6,41", to indicate that the vessel is considered to be in an efficient condition for twelve months from that date. The Boiler Survey has also been held and a notation of BS 6,41 - 213 lb. has also been assigned.

I am, Dear Sirs,
Yours faithfully,

Clerk to the
Classification Committee.
