28th October 1904

The Secretary,

Sir,

In reply to your letter of yesterday's date respecting the first Entry Report 3311 on the machinery of the bawler "Jugomar". They to respectfully point out that the question of the last examination in dry dock of the screw shaft & connections does not arise in this instance the vessel never having been in dry dock.

With regard to the position of the discharge pipes, these are at the deep water line.

I regret that this was not duly entered on the Report.

I am Sir,
Your obedient servant,
J. H. H. H.
