

FREEBOARD REPORT on the Messrs. Bartram's N^o 260 Ship.

It is submitted the Freeboards given on the accompanying form being those required by the Tables merit approval, subject to the dimensions & particulars now supplied being verified on completion of the vessels, & to the Spinnings in the ends of the erections being closed as required for full allowance.

The freeboards have been computed on a corrected tonnage coefficient of .80, and are, therefore, subject to revision if necessary. It has been observed that two figures are given for the under deck tonnage viz 5080 and 5200. The former figure has been used in the computation.
