12th September, 1944.

Dear Sir,

Lighter "VIC 83"

With reference to Glasgow Report No.68114 on Cochran Boiler No.XT 11155, I think it well to inform you that a report has now come to hand from the Hull Surveyors to the effect that this boiler has been satisfactorily installed in the above named vessel, which has been built under survey but is not intended for classification with this Society.

I am, Dear Sir,
Yours faithfully,

The Secretary,

GLASGOW.

Clerk to the
Classification Committee.
