22nd October, 1907.

H. Dear Sirs,

With reference to the classification in this Society's Register Book of the steamer "ALBERT ZELCK", and to the Special Survey which became due on the vessel's boilers so long ago as February last, I am directed to inform you that it will be necessary for this inspection to be held without delay if the vessel is to retain her class.

In the circumstances I shall be obliged if you will kindly let me know for the information of the Committee what definite arrangements it is proposed to make with a view to the inspection being held.

I am, Dear Sirs,

Yours faithfully,

Secretary.
