communications to be addressed to
THE SURVEYORS.

Dear Sir,

S.S. "ILONA".

reference

H.

We beg to acknowledge receipt of your letter of the 11th instant and its enclosure having reference to the above named vessel and in reply would state that we have not been approached by any one regarding the Boiler or other survey of this steamer, which we believe is laid up at Eleusis, some 20 kilometres from Piraeus.

No definite information has been obtained as to who is the Owner's representative. We were told that Mr. Bodosakis Athanasiades acts as such, but on telephoning to this gentleman's office we were informed that he is away and no one seemed able to state whether he is the representative or not. As we were advised Mr. Athanasiades would be back about the end of the present week we have addressed a letter to him and will communicate with you as soon as we have a reply.

We are, Dear Sir,

Yours faithfully,

The Surveyors.

Robert B. Knox.
