H. Dear Sir,

With reference to my letter of the 12th instant, and to previous correspondence, regarding the Boiler Survey due on the S/S "ILONA", I beg to inform you that the Owner, who has come back to Paris to-day, stated that this vessel is laid up in Greece (he does not know in what port) and that he is taking the matter up, without delay, with his Representatives in that country.

He promised to give a reply to the Society's inquiry in the matter in the course of a few days.

I am, Dear Sir,

Yours faithfully.
