Dear Sirs,

Regarding ST. "VENUS" 341 tons gross of Sandevaag.

I reply to your memorandum of 18th December 1959 and earlier
the Owners state: The vessel has been laid up for many months,
it will not be used again as a coal burning trawler. Decision
has not been taken to scrap it or to fit a diesel engine.

In my opinion the vessel will be broken up. And I shall
inform you in due course.

Meanwhile, I remain,

Yours faithfully

Wilhelm Nielsen, Thorshavn
