

"PUNTA ARENAS"

Refer VALPARAISO Surveyors' letter dated 12.7.57 regarding Owners' request for certificate for voyage to Europe for grounding damage repairs, etc.

The ship is classed #100A1 and has a record of "Laid up 4,57 - pending repairs".

Provided the ship is sufficiently opened up and surveyed to enable the Surveyor to satisfy himself that she is ~~found~~ placed in a satisfactory condition for the contemplated voyage to Europe IT IS SUBMITTED he may issue a Certificate that ship is in fit condition, in his opinion, as an unclassed ship to undertake contemplated voyage to Europe.
