17th January, 1934.

Enclosure.

Dear Sirs,

I am in receipt of your cablegram of yesterday's date respecting the steamer "NALPA", as follows, viz:-

"31571 NALPA

EZGEC - Owners desire classification

LUUPS may we survey this vessel

NOVKI - propose

PHYVO - Special Survey No.3

GORTY - drilling

PAHEL - shell plating

ADIMT - and

GASLO - decks",

and in confirmation of my cabled reply (as per copy herewith)

I may say that you are authorised to carry out a survey for classification in the manner suggested by you.

I may add that as the vessel has never before been classed with this Society, it will be necessary for sketches of midship section and profile, showing the scantlings and arrangements, to be forwarded with the first entry reports on the hull and machinery, also a plan of the boiler and plan of pumping arrangement, and the usual particulars of machinery and sizes of shafting.

The cost of my cablegram was £2.0.0, and your account has been debited with this amount.

The Surveyors,

I am, Dear Sirs,  
Yours faithfully,
