3rd October, 1931.

Dear Sirs,

With reference to your freeboard and First Entry reports in respect of the motorship "CABO SAN AGUSTIN", I have to call your attention to the following discrepancies:-

	Freeboard Report.	F.E. Rpt
		6935.45
		<u>2324.57</u>
Under deck tonnage	3549.8	9260.02
Registered depth	34.37	37.00

The particulars on the freeboard report appear to be correct, but you should verify all these figures.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,  
BILBAO.
