Dear sir,

TW. Sc. Motorship "CABO SAN AGUSTIN"

With reference to your letter of the 13th instant, regarding the fees for the first entry survey held on the above named vessel, we have to inform you that the amount of these fees in sterling was forwarded to the Soc. Española de Construcción Naval, Sestao, on the 29th September last, and that it was their intention to pay these fees in sterling through their Madrid and London Offices, but owing to the new banking regulations, payment has been delayed.

In view of these circumstances, and in order that the Classification Certificates may be delivered without further delay, we are communicating with the Builders requesting them to pay these fees in pesetas at Bilbao as customary.

We are, Dear Sir,

Yours faithfully,

For the Surveyors
