Dear Sirs,

With reference to the fees charged for the Society's services in connexion with the survey during construction of your yard No. 53 (s.s. "CARIPITENO"), and to the correspondence which took place between us on this subject in June last, I think it well to draw your attention to the fact that a sum of £75 is still unpaid, in respect of an account rendered to you from the Society's office at Hamburg. This account is made up as follows:-

Condition survey of hull.....	£3.0.0
Installation of Machinery.....	£16.0.0
Survey of Electric Installation...	£41.10.0
Travelling Expenses.....	<u>£14.10.0</u>

£75.0.0

In view of the fact that this sum has been outstanding since May last, I shall be glad if you will be so good as to favour me with a remittance at an early date.

I am, Dear Sirs,

Yours faithfully,

(Copy each to Hamburg & Gdynia)

Secretary.
