Lloyd's Register of Shipping.

Port Kobe.

21st June 1939.

This is to Certify that I have

surveyed the Boiler<sup>s</sup> and Machinery of the STEEL SINGLE SCREW  
"CHERIBON MARU",

4016 tons gross, of Tokyo,

that I have transmitted to the Committee of Lloyd's  
Register of Shipping, London, a Report stating that all  
recommendations made by me in connection therewith have  
carried out to my satisfaction, and that I have  
recommended that the record of **L.M.C. 6, 39.** and  
1 Shaft (00) seen 5,39 -----

be made in the Register Book in the case of this vessel.

*J. A. ...*

Engineer Surveyor to Lloyd's Register.

This certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that :

The Committees of the Society use their best endeavours to ensure that the functions of the Society are properly  
performed and it shall be understood that neither the Society nor any Member of any of its Committees is under any circumstances  
to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any  
Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its  
Members thereof, or the Surveyors, or other Officers or Agents of the Society."
