Dear Sirs,

With reference to your First Entry Report No.3066 I shall be glad if you will be good enough to forward a report on Form No.8 of the alterations effected to the vessel since the completion of the First Entry Report, and to state whether the name of the vessel is "YORO MARU" as given on the report or "CHERIBON MARU" as stated in your letter of the 27th April last.

You should also state whether horizontal shell brackets are fitted to the watertight bulkheads, whether the butts of the strake below the sheerstrake are quadruple to treble riveted as in the sister ships and not as stated in the report, and whether the riveting of the butts of the tank top centre strake is as required.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

Kobe.
