1 Enclosure.

11th November, 1921.

Dear Sirs,

G.O.

I have to enclose herewith cuttings which have been taken from the List of Owners in the Register Book regarding the Steam Trawlers which are recorded under the management of Mr. Edwin Bacon and Messrs. James N. & H. Bacon.

Please ascertain and let me know whether these vessels should be entered in the Register Book in future under the management of Messrs. E. Bacon & Co.,

You will observe that only the "LAVONIA" is at present entered in the Register Book under the name of this Company.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,
GRIMSBY.
