The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

The 2nd S.S. No. 1, due 1.41,  
has been partly held.

The KOBE Surveyors report (6.41)  
the vessel placed in dry dock, bottom coated, the Special  
Survey completed, repairs to engine seating, and additional  
girders fitted.

New crews' accommodation has  
been fitted.

On account of damage through  
striking quay some shell plates, frames, etc. faired.

It is submitted the vessel  
appears worthy to remain as classed with record of survey  
6.41 and notation S.S. No. 1-41.
