The Boiler and Screwshaft Surveys of this trawler became due in April last.

Correspondence has taken place with the Society's Surveyors at Amsterdam regarding these inspections and they now forward a letter from the Owners from which it appears that for reasons of economy they have decided not to continue the Society's Classification.

The Classing Committee had the case before them on Tuesday the 31st ultimo, when they decided to give instructions for the vessel's class to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof indicating withdrawal of class at 8.37 the owners request.
