With reference to the case of the steam trawler "CHILTERN", I have to acquaint you intimation was recently received that this vessel was not to be broken up as anticipated but had been resold and was likely to be placed in commission shortly. For your information I enclose herewith a copy of a letter which has now been received from the Leith Surveyors, and with regard thereto I shall be glad if you will ascertain and let me know what arrangements are proposed to be made for the surveys necessary for class maintenance to be carried out.

Yours faithfully,
