Dear Sir,

Steam Trawler "CHILTERN".

We have been requested by the Glasgow Office to make further enquiries regarding this vessel and to advise you accordingly.

As stated in our memo of the 5th June last, we were informed that she was being towed to Peterhead for repairs, and we learn today that she has been at that port for some time. We understand that the Owners will be known as the Planet Steam Fishing Co., of which Company Mr. David J. Watson of Market Terrace Edinburgh, Mr. H. H. Martin of 3 Laverockbank Avenue Edinburgh, and Mr. W. Livingston of 126 Queen Street, Peterhead, are partners.

This Mr. Livingston is the same gentleman, who is given in the Register Book as being the Owner of the s.t. "Kuvera", so application to him or to the Aberdeen Surveyors might be made for further particulars regarding the vessel's class maintenance etc.

Yours faithfully,
THE SURVEYORS.

Per. John Houston

The Secretary,
LONDON.
