3rd January, 1936.

Dear Sir,

H.

With reference to your memorandum of the 19th November last relative to the steam trawler "ST. CUTHBERT", I have to acquaint you that in view of the fact that this vessel is still laid up, the Committee will be agreeable to the Screwshaft Survey being postponed for the present.

I shall be glad if you will inform the Owners accordingly, and at the same time remind them that the Boiler Survey will require to be held before the vessel is again employed.

I am, Dear Sir,

Yours faithfully,

Clerk to the  
Classification Committee.

T. Moon, Esq.,

HALIFAX, N.S.
