-----

The Modified survey of the oil engines of this vessel became due in December last, and in reply to enquiry the Owners state that as the vessel works only in the river they do not intend to continue the classification.

The case received the consideration of the Classing Committee on Tuesday, 11th instant, when it was decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners request.
