Dear Sirs,

I am in receipt of your freeboard verification marking form for the S.S. "AKUNA", but before freeboard certificates are issued for this vessel it will be necessary for the lower sidelights to be closed with riveted plates. As is noted from your survey report No. 3972 on the case that this will be done at the next dry docking.

I am, Dear Sirs,

Yours faithfully,

Secretary.

Surveyors,

MELBOURNE.
