

S.S. "WALTER JENNINGS"

A verification of marking form has been forwarded by the New York Office giving the freeboards which have been assigned by the American Bureau in accordance with the U.S. Freeboard Regulations.

This vessel is classed +100A1 Shelter deck with Freeboard, Carrying Petroleum in Bulk, and the freeboards assigned were the minimum permitted by the B.T. Regulations.

From an estimate made in this Office it would appear that the freeboards now assigned are the minimum permitted by the U.S. Regulations.

It is therefore submitted they be accepted as complying with the conditions of classification.

The records in the Register Book should be amended in accordance with the particulars given on the attached form, and the Board of Trade should be advised.
