17, Battery Place,  
NEW YORK.

Private and Confidential.

March 17, 1942.

Dear Sir:

With further reference to my letter to you of the 9th ultimo, I think it well to enclose:

- (a) Copy of letter from Pickands Mather & Co., Cleveland, O., to our Cleveland Surveyor, Mr. G. Drummond.
- (b) Copy of Mr. Drummond's letter to me accompanying same.
- (c) Copy of one addressed by the Ford Motor Company to this office.

You will see by these and those already sent you (with my letter of 9th ultimo) the effect of Admiral Land's letter to some American Owners having vessels classed with a "foreign Society".

These are the only letters of withdrawal which I have received so far and I am surprised his letter has been limited to as few as those mentioned.

I am not submitting these cases to the American Committee but prefer, for obvious reasons, that the necessary action be taken at your end.

Yours sincerely,

(SGD) WILLIAM BENNETT.

LONDON.
