ANS-

ENCLOSURE.

15th July, 1920.

Sir,

With reference to the enclosed first entry report No.40197 on the Engines No.543 constructed by the Fairfield S.B. & E. Co. Ltd. I beg to acquaint you that these engines have been sold to Messrs. John G. Kincaid & Co. of Greenock, who have disposed of them to Messrs. J. Coughlan & Sons of Vancouver.

The Fairfield Company state that the Machinery was built to the order of the Ministry of Shipping, and that they (the Builders) are not responsible for the Society's fees, and Messrs. Kincaid & Co. also state that they are not responsible for the fees. I shall therefore be glad to know whether you will collect the same from the Ministry.

It is assumed that a fee of £50 will be charged as was done in the somewhat similar case of the Engines No.2F constructed by Messrs. D. & W. Henderson & Co. Ltd. (Glasgow Report No.39326).

I am, Sir,

Your obedient Servant,

The Secretary,
