Hong Kong

August 30th.1926.

This is to Certify that

T. S. MORRISON

the undersigned Surveyor to this
Society did at the request of

Messrs A. B. Atlas Diesel, Stockholm, attend at the works of the
Hong Kong & Whampoa Dock Co. Hong Kong, on June 18th.1926 and
subsequent dates to examine a Polar Diesel Engine Type P.41,
No.50027 made by A. B. Atlas Diesel and intended to be installed
in a vessel, Hull No.628, being built by the Hong Kong & Whampoa
Dock Co. Hong Kong, under special survey, and subsequently named
"ALOHA".

In accordance with the instructions of the Committee of
Lloyd's Register of Shipping, London, the engine was opened up
and all working parts examined, and found satisfactory, the air
receivers, cylinder water jackets and water passages of the
cylinder covers were tested in accordance with the rules and
found satisfactory.

The engines have been installed in the vessel in
accordance with the requirements of the rules and a report has
been transmitted to the Committee of Lloyd's Register of Shipping,
London, recommending that the vessel be classed with Lloyd's
Machinery Certificate and the record of @ L.M.C.8,26. be made
in the Register Book in the case of this vessel.

Survey fee - - - - - \$314.00.
Travelling expenses \$ 20.00.
