With reference to the entry in the Glasgow current weekly return of vessels under survey respecting the Hopper Dredger "CHARONWATER" I think it well to enclose herewith a copy of a letter dated 2nd April, 1929 addressed to the London Midland & Scottish Railway Co. in regard to the classification of their dredging fleet.

The screw shaft of the above vessel became due for survey in September last and in the circumstances her class is being omitted from the forthcoming reprint of the Register Book and I shall be glad if you will be guided accordingly,

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,
GLASGOW.
