(Postbox 701.)

THE SURVEYORS.

I am forwarding, at the request of the Maatschappij voor Scheeps- en Werktuigbouw "FLUENCOORD", a sheer plan showing the freeboard particulars for a Motor Oil Tanker, which they contemplate building to the Society's highest class.

The above firm will esteem it a favour if they could be informed of the freeboards that could be provisionally assigned in this case.

Trusting to be favoured with the necessary particulars so that the Builders may be informed.

I am, Dear Sir,

Yours faithfully,

The Secretary.
