Dear Sir,

I enclose herewith a letter which has been addressed to the Owners of the steamer "PORTO-SEGURA" in regard to the overdue survey of the screw shafts of this vessel, and shall esteem it a favour if you will kindly forward this communication to its address after perusal and at the same time endeavour to ascertain what arrangements are proposed to be made for the requisite survey to be held.

I may say that in the event of the Owners of this steamer deciding to carry out the survey the Committee will be obliged if you will kindly appoint a competent and independent Surveyor to addend to the same. A form for reporting the inspection is enclosed which I shall be glad if you will return to this Office in due course. I should add that all fees and expenses in connexion with this survey must be paid by the Owners or their representatives and should accordingly be charged by you to them.

I am, Dear Sir,

Yours faithfully,

Edward P. W. Duder, Esq.,
