Sir,

With reference to the survey which became due in September last on the screw shafts of the steamer "PORTO SEGURO", I have to acquaint you that a notice in regard to this inspection was sent to the Owners on the 20th February, to which no reply has been received. A further enquiry has been made of the Owners to-day, but as it is observed that the vessel is engaged exclusively between Pernambuco and Rio de Janeiro, I shall be glad if you will endeavour to ascertain and let me know what steps the Owners propose taking with a view to the shafts being submitted to inspection.

I am, Sir,

Your obedient Servant.

H.E. Inman Esq.,

RIO DE JANEIRO.
