Sld.

condition of the plating as ascertained by drilled  
is considered satisfactory.

23008 "DRAGON". Classed 100A1 Steam trawler with  
notations of LA&GP and LMC.

22967 "KLIO". Classed 100A1 with notations of LA&GP and  
LMC. I have to inform you that it appears from a letter  
received from the Leith Surveyors that the fees for survey  
of the hull will be paid at their port today, and that the  
certificates will be called for at this Office by Messrs.  
Pile & Co., tomorrow morning. I have therefore to  
request that you will inform me by wire, if necessary,  
whether the fees for the survey of the machinery have been  
paid, and if the makers of the machinery are agreeable to  
the certificates being handed to the firm mentioned above.
