Dear Sir,

We duly received your letter of the 20th instant respecting the steamer "RIGI" and beg to inform you that we have to-day had a conference with Mr. Axel C. Eitzen, who stated, that they had definitely decided to class the vessel with Det Norske Veritas. He further said that they had nothing against Lloyd's Register but for more reasons they found it correct to class her with Det Norske Veritas.

We beg to confirm our cablegram of to-day, viz:-

"RIGI"
VAKMU Zerka
VIKOJ WHEIB
NORSKE VERITAS

Name of the vessel
Referring to your letter of the 20th inst,
owners state vessel classed
Norske veritas.

We therefore beg to propose that the vessel's name be expunged from the Register Book.

We are, Dear Sir,

Yours faithfully

Per Gorn-Rohr
