Dear Sir,

I dgly received your letter of the 1st September last forwarding a letter from the Owners stating that they do not desire to continue the vessel's Classification with this Society.

The case has been reported to the Committee and, in view of the Second Special Survey No.3 having become due in October 1944 and of the fact that it is not now proposed to hold this inspection they have had no alternative but to give instructions for the vessel's class to be expunged from the Register Book with a Red Line indicating non-compliance with the Society's Rules.

I shall therefore be obliged if you will inform the Owners of this decision.

Yours faithfully,

A.W. Eaglesome, Esq.,  
RIO DE JANEIRO.
