10th July, 1945.

H. Dear Sir,

I have to acknowledge the receipt of your memorandum dated the 16th April last respecting the 2nd Special Survey No. 3 and Screwshaft Survey of the Steamer "ARAGUA", the contents of which are noted and in the circumstances your report is awaited in due course.

In the event of the above surveys not being carried out as now intimated, I shall be glad if you will advise me by cablegram how the case stands.

It will be noted that the Boiler Survey also became due at the end of last month and it is concluded this inspection will be held when the 2nd Special Survey No. 3 is carried out.

Yours faithfully,

Clerk to the  
Classification Committee.

A. W. Eaglesome, Esq.,
