7th March, 1919.

Dear Sirs,

I duly received your letter of the 3rd instant requesting to be supplied with the Glasgow First Entry Machinery Report on Messrs. Beardmore & Co's No.494 Engines which have now been fitted in the Strath Trawler "ISAAC DOBSON". There appears to have been a misunderstanding as to the Vessels for which these Engines and Messrs. Beardmore's No.495 Engines were intended, and I have to confirm my telegram of to-day as below requesting you to return the First Entry Machinery Report on the No.495 Engines which you state is now in your Office.

"Please return Glasgow First Entry Machinery Report
38528 Beardmores Engines 495".

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

ABERDEEN.

Secretary.
