The survey of the screw shaft of this vessel became due in December last, but the Owners now state they do not desire to continue the classification of the steamer in the Society's Register Book.

In the circumstances, the Classing Committee, who had the case before them on Tuesday, 6th instant, decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

8th March, 1923.
