

S.S. "Royalite"

No. 193.

A report has now been forwarded on the donkey boiler of this vessel.

This boiler is a small one used for the sole purpose of supplying steam to the oil fuel pump when raising steam in the main boiler.

It was surveyed last in April 1922.
(see G.O. r.p. No. 188).

It is submitted that
this vessel is eligible to
remain as **CLASSED**.
