The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Remarks of Surveyor

*First entry*

It is submitted that, before this case receives the consideration of the Committee, the Southampton Surveyors should be requested to state by wire in the morning whether the class of this vessel should not be 100A1 "For Towing purposes", as in the case of the Sister vessel, and not A1 "For Towing purposes", as recommended on the third page of their report.
