Vessel's Name: S.S. "GOLDEN ISLES"

As you are aware, we put this vessel through survey earlier in the year at Genoa and placed her on the market for sale.

We have not succeeded in finding a buyer for her for trading and have now sold her to British Iron & Steel Corporation (Salvage) Ltd., for breaking up.

She left Genoa at 8.15 this morning in tow of the tug "Turmoil" for the British Channel where she will be delivered to the buyers and allocated by them to a firm of shipbreakers.

We have a notice from you that the Loadline Survey is due on 25th October next and we shall be glad if you will advise the appropriate department in this connection and also note the position for your Register records.
